

## Supernatural Race Disharmony

Hypnos

Overnational overbrain has paid ticket to ride  
take the seats, to sit's better than to crawl.  
Stiff loyalty's gonna be only price  
free sacrifice to mighty throne  
where "White house Messiah" motions on....

See through the flies  
See through the flies!  
Pathetic slush all over your life  
Don't forget to bend down ? common!  
Don't forget to bend down your head with no eyes  
Stronger survives in mankind of flies

Disharmony breeds deep inside of very smartest ones  
Privilege of race that loves to stand high above of us

Come on... supernatural

Raised flag of univers-e/al saviour  
covered by shinning stars  
the reason to be proud always found  
Insolend marching through an by  
neighbourhoods garden parks  
by peaceful shoes everything's pulling down

See through the flies...
