

## Attachment to the Ancestor

Hypocrisy

Crippling ways  
of religious innocence  
of ??  
and now get me naked  
??  
destroy the un? christ  
? and slow death  
become... to touch ?  
??  
to come here  
seeing this arrival  
with sorrow torturing ?  
my power  
for the ?  
time has come  
?? knife  
or the eternal ?  
?? voice will call you back:  
no will, it's time to die  
read in the book of life  
the darkness is my salvation  
wanna see eternal life  
? will take with you... your might  
?? will see your soul  
you will be a ? to ? me
