God Is a Lie

Hypocrisy

So, you think you're a god! You're nothing but a piece of shit, and if I get my hands on you, you will slowly die!

Oh the church of God preaching all the shit I'm not scared of you I think Jesus, GOD IS LIE

I rule this world, and Satan's son was sent. Son of evil, heart cold as blood. Father Satan give me your power! To create a new world.

Assemble at the gate, and we'll be as one.
Reaches night, the end of dawn, evil.
GOD IS A LIE

All my slaves and await, obey me and you die!
