

Mind Corruption

Hypocrisy

First they come to your rescue,
to drag you off the streets.
They'll give you food and shelter,
to leave you to bleed.
They'll take all your money,
destroy all your clothes.
They'll kill you for religion.
Then go looking for more.
Wretched scum of the earth,
They are waiting for rebirth.
A release from the demon...
Whom they need to slave them to the one
Blow away that asshole, they will use until you die
That ??? one that convents you they will let up in paradise!!!
That thing is old
They seal off your mind, too
Don't to know!!!
You can see you're none of the true
Another wayburns off the youth
To burn all the life
They fill you up with ???
Noone will you ???
Wretched scum of the earth,
They are waiting for rebirth.
A release from the demon...
Whom they need to slave them to the one
Blow away that asshole they will use until you die
That ??? one that convents you they will let up in paradise!
Wretched scum of the earth,
They are waiting for rebirth.
A release from the demon...
Whom they need to slave them to the one
Blow away that asshole, they will use until you die
That ??? one that convents you they will let up in paradise!!!
LIAR!!!
