Pleasure of Molestation

Conquest is my art Some say in God's ear I'm yours till you find my noose Your name brought us here To molest this evil boy Leprosy, God's own destiny Their gathering brought you to me At the altar they recently found you Running loose with hellish volition In here your soul will be dead All livings beings will rot in Hell Call my name, I will be An admission that ceased to exist I curse thee whom I save Darkening will soon be here Wait, sacrifice my live With this evil unholy knife With the opening hand to a God Fuck Jesus Christ Slaves of the lie, they needed eyes Users, beggars, believe yours (I won't deny) Dying for God, I'm not with Him Crime is in our hearts (You not reveal) Leprosy, God's own destiny Their gathering brought you to me At the altar, they recently found you Running loose with hellish volition In here your soul will be dead All livings beings will rot in Hell Sacrifice a virgin on your knife Would you be a servant For Satan or mankind? Sacrificing pieces of your life I carry no grief for Jesus Christ
