

Reborn

Hypocrisy

I'm drinking from the Sea of Death
For the solution
???
For eternal power

Walk there in my name
Be the first to ???
I cannot be forgotten
I will (be) reborn
To take revenge
The God will awake me
To take command
Walk with me on the ???

I will rise from the flames to prove them wrong
Wrath of hell to come
I will serve a glorious god

Walk there in my name
Be the first to ???
I shall not be forgotten
I will (be) reborn
To take command
The gods will awake me
To take command
Walk with me on the ???

Oh

???
