### Hypocrisy

It cannot longer be denied  
The government's coverup frights your life  
Keep your mouth shut, of what you have seen  
or your body parts will spread around  
for trying to prove missing time  
Don't you see the terror has begun  
not for the things you've been through  
but the things you know / done  
It's in institution  
Where you will spend the rest of your life  
Dysatherapy, justify the mind  
Revealing all that of your soul...  
It's always seduced your skin for the rest of your life...  
The madman gets trapped and castrated before...
