

## Only Alphabet

I Against I

Don't want to be searching anymore Tried so hard, forgot what I  
'm looking for Who'll rewind Who'll  
remind me what the search was for Talk so fast I can't keep up  
Tried so hard, forgot who I was Who  
am I Who are you and what the hell is true?! Only alphabet, onl  
y alphabet Everything that I don't  
say will tell you who I show myself in all the things I don't d  
o Opinions forced upon me brutally  
Tomorrow's mistake is the truth today, you see Leave me be I ne  
ed to be alone with my own thoughts  
You may think you are number one, but So do I; that's a song be  
en sung A million times Or even more  
even more and more Know your lines; recite them in your head Re  
peat them on and on and once more  
after that Know your lines, repeat them in your head Again agai

Don't want to be searching anymore Tried so hard forgot what I'  
m looking for Who'll rewind Who'll  
remind me; can't search anymore I show myself in all the things  
that I don't do Everything that I  
don't say will tell you who
