

## Big Tears

I Am Kloot

How long have you worn that dress  
The colours shows all the mess  
But they don't want that kind of thing round here  
You've been trying too hard it's clear  
You've been dieing to dry those big tears.

You've got a head full of library books  
Your mother had all the looks  
But they don't want that kind of thing round here  
You've been trying too hard it's clear  
You've been dieing to dry those big tears.

Do you know what they all think about you.  
Do you know how they can't live without you.

You've got a head full of common sense  
But that's not much recompence  
'cause I don't want that kind of thing round here  
I've been trying too hard it's clear  
Now we're dieing to dry those big tears.

How long have I worn this shirt  
The colours shows all the dirt  
They don't want that kind of thing round here  
I've been trying too hard it's clear
