

## Bat Out Of Hell

I Am War

Pure lighting flowing thru you.  
Ignition.  
Inspiring you touch.  
Explosion.  
Pure lighting flowing thru you.  
Infectious.

Leaving your head in a rush, like a bat outta hell.  
Wild energy out of control.  
We're coming, we're coming.  
We're coming for you.

An outlet, a direction for rage. A blast of power.  
We're coming, we're coming.  
We're coming for you.  
We're coming, we're coming.  
We're coming for you.

Power builds inside you.  
Ignition.  
Steam rolling away.  
Explosion.  
Power builds inside you.  
Infectious.
