

## Don't Worship Assholes

I Am War

Paralyzed. Disgusted. Fed up, with insincerity.  
Amount to something more than your petty wants and needs.

Behead, The Betrayal. Hack the head of mediocrity.  
Challenge Yourself. Live, Grow, and Breathe.

Emboldened, Emblazoned, Inspired by insincerity.  
Amount to something more than your petty wants and needs.

Can't take it, can't take it. What I'm forced to hear.  
Can't believe it, can't believe it, can't believe my  
ears.  
I can't believe my ears.

Realizing, Embracing, Enforced with peace and clarity.  
Challenge yourself.  
Be truer than you can be.

Redefining, developing a new mindset. Better way of  
living.  
Amount to something more than your petty wants and needs.

Can take it, can take it my mind is clear.  
I believe it, I believe it, I believe my ears.
