

18 With a Bullet

I Blame Coco

I'm 18 with a bullet
Got my finger on the trigger
I'm gonna pull it
I'm picked to click now
I'm a son of a gun
So hold it right there little boy
We're gonna have big fun

'Cause I may be oldie
But I'm a goodie too
And I'll last forever
And I'll be good to you

Because I'm
I'm 18
18 with a bullet
Oh I'm 18
18 with a bullet
Oh I'm 18
18 with a bullet
Oh I'm 18
I'm 18
I got my finger on the trigger
I got my finger on the trigger
I got my finger on the trigger
I got my finger on the trigger

I'm 18 with a bullet
Got my finger on the trigger
I'm gonna pull it
Be my A-side, baby
Just be beside me
Cause right now I'm single
And pretty soon you'll see

That I'm high on the chart
Tipped for the top
But till I'm in your heart
I ain't never gonna stop

Because I'm
I'm 18
18 with a bullet
Oh I'm 18
18 with a bullet
Oh I'm 18
18 with a bullet
Oh I'm 18
I'm 18
I got my finger on the trigger
I got my finger on the trigger
I got my finger on the trigger
I got my finger on the trigger

We got a smash double-header
If we only stay together
Talkin 'bout you

talkin 'bout me
Talkin 'bout you
talkin 'bout me

Because I'm
I'm 18
18 with a bullet
Oh I'm 18
18 with a bullet
Oh I'm 18
18 with a bullet
Oh I'm 18
I'm 18
I got my finger on the trigger
I got my finger on the trigger
I got my finger on the trigger
I got my finger on the trigger

Because I'm
I'm 18
18 with a bullet
Oh I'm 18
18 with a bullet
Oh I'm 18
18 with a bullet
Oh I'm 18
I'm 18
I got my finger on the trigger
I got my finger on the trigger
I got my finger on the trigger
I got my finger on the trigger
Oh I'm 18
I'm 18
