

## Bohemian Love

I Blame Coco

Oh, how did birds awake before me?  
They beat me every morning rise  
And now I'm lucky if I get a wink in  
Because there's something on my mind

I miss your face  
I miss the places that I once knew  
I don't like this space  
This absence lays with insomnia  
I'm caught in bohemian love  
Bohemian love

What happened to sleepy humner,  
Who slept all day  
Bohemian love  
What happened to lazy humner,  
Who let the sunlight waste away  
What happened to brave, bold, courageous humner  
Was never afraid  
What happened to her  
Oh, what happened to me?

So back to my sleep  
I'm tossing and turning  
My appearance is cheap  
My daytime is small eyes and yawning  
Look at the bright side  
I don't have to make my bed in the morning  
But every time I lay at the pillow, I cry

What happened to sleepy humner,  
Who slept all day  
Bohemian love  
What happened to lazy humner,  
Who let that sunlight waste away  
What happened to brave, bold, courageous humner  
Was never afraid  
What happened to her  
Oh, what happened to me?
