Bohemian Love

I Blame Coco

Oh, how did birds awake before me? They beat me every morning rise And now I'm lucky if I get a wink in Because there's something on my mind

I miss your face I miss the places that I once knew I don I like this space This absence lays with insomnia I'm caught in bohemian love Bohemian love

What happened to sleepy humner, Who slept all day Bohemian love What happened to lazy humner, Who let the sunlight waste away What happened to brave, bold, courageous humner Was never afraid What happened to her Oh, what happened to me?

So back to my sleep I'm tossing and turning My appearance is cheap My daytime is small eyes and yawning Look at the bright side I don't have to make my bed in the morning But every time I lay at the pillow, I cry

What happened to sleepy humner, Who slept all day Bohemian love What happened to lazy humner, Who let that sunlight waste away What happened to brave, bold, courageous humner Was never afraid What happened to her Oh, what happened to me?
