

# More Than I Can Handle

I Call Fives

I feel like everything is inside out  
And I can't find a way to say this  
But you were worth the trouble  
And I don't know just why  
I'll always take you back

I will make this out  
To be more than I can handle  
Baby, I've never had a doubt  
Close your eyes and girl  
I'll try my best to make you happy  
Cause that's what you deserve  
A boy who means more than these words  
Than these words, than these words

When everyone keeps saying something  
Sometimes I'm afraid to listen  
Cause I don't want to believe  
The things they say you say about me  
I don't want to know what I'm missing

I will make this out  
To be more than I can handle  
Baby, I've never had a doubt  
Close your eyes and girl  
I'll try my best to make you happy  
Cause that's what you deserve  
A boy who means more than these words  
Than these words, than these words

I will make this out  
To be more than I can handle  
Baby, I've never had a doubt  
Close your eyes and girl  
I'll try my best to make you happy  
Cause that's what you deserve  
A boy who means more than these words  
Than these words, than these

I will make this out  
To be more than I can handle  
Baby, I've never had a doubt  
Close your eyes and girl  
I'll try my best to make you happy  
Cause that's what you deserve  
A boy who means more than these words  
Than these words, than these words
