

My Choice My Pledge

I Declare War

Straight edge

This is my choice
This is my life
I will stand
This is right
You will not break me down
This is my choice

You will not break me
Break me down

This is my
Pledge for life
This is
My pledge
This is my
Pledge for my whole life
This is my
Pledge for life

I am strong
As I hold my ground
Never give in
I'd rather be dead

You will not break me down

I am straight edge
Straight fucking edge
I am straight edge
