

# No One Likes Superman Anymore

I Fight Dragons

Strong hands, strong mind  
Strong all the time  
Straightforward and kind  
Too simply defined

'Cause no one wants to know the man who stands for  
things we outgrow  
He's too noble and too blind  
We're all older now and we don't need someone to care  
about  
The innocence we left behind

(Don't touch that dial)  
It's just that goodness is out of style)

Be dark, be cold (so conflicted)  
No hand to hold (heart constricted)  
Dark Knight, bright soul (we're addicted)  
No room here for the bold

'Cause no one wants to know the man who stands for  
things we outgrow  
He's too noble and too blind  
We're all older now and we don't need someone to care  
about  
The innocence we left behind

And what if he can fly?  
Hey, well so can I  
Jet Blue or United Airlines  
And who cares if he's strong  
All we see's the wrong we've done  
Reflected in his eyes

'Cause no one wants to know the man who stands for  
things we outgrow  
He's too noble and too blind  
We're all older now and we  
don't need someone to care about  
The innocence we left behind
