

The Power Of Love

I Fight Dragons

The power of love is a curious thing Make a one man weep, make another man sing Change a hawk to a little white dove More than a feeling That's the power of love

Tougher than diamonds, rich like cream Stronger and harder than a bad girl's dream Make a bad one good make a wrong one right Power of love that keeps you home at night

Chorus: Don't take money, don't take fame Don't need no credit card to ride this train It's strong, and it's sudden, and it's cruel sometimes But it might just save your life

That's the power of love

First time you feel it, it might make you sad Next time you feel it, it might make you mad But you'll be glad baby when you've found That's the power makes the world go 'round

Chorus

They say that all in love is fair Yeah, but you don't care But you know what to do When it gets hold of you And with a little help from above You'll feel the power of love

Chorus It don't take money, don't take fame Don't need no credit card to ride this train It's tougher than diamonds and stronger than steel you won't feel nothin' till you feel Feel the power, that's the power of love That's the power, you'll feel the power of love You'll feel the power of love That's the power of love You'll feel the power of love And it might just save your life That's the power of love
