

# It's You

I Hate Kate

Go  
Let it go  
Let it go  
Put it all behind  
For you

Show  
Let it show  
Let it show  
That you're not afraid of this  
For you

And there's only one person I know  
That is worth all the time in the world  
It's you

Life  
This short life  
This sweet life  
Is all I've got  
I've got for you

And there's only one person I know  
That is worth all the time in the world  
It's you  
It's you

It's you that makes me feel it  
You that makes me feel so alive  
So alive  
It's you  
It's you

Born  
We were born  
We were born in this world of hope  
I hope it's you

And there's only one person I know  
That is worth all the time in the world  
It's you  
It's you

It's you that makes me feel it  
You that makes me feel so alive  
So alive

It's you  
It's you  
It's you that makes me feel it  
You that makes me feel so alive  
So alive

Don't call off all your feelings  
And sew off all your clothes  
To forget me  
To forget me

All dried up in this weather  
Been tied up since forever  
So let me  
Just let me

It's you  
It's you  
It's you that makes me feel it  
You that makes me feel so alive  
So alive

It's you  
It's you  
It's you that makes me feel it  
You that makes me feel so alive  
So alive

It's you  
It's you  
It's you  
It's you
