## It's You

I Hate Kate

Go Let it go Let it go Put it all behind For you Show Let it show Let it show That you're not afraid of this For you And there's only one person I know That is worth all the time in the world It's you Life This short life This sweet life Is all I've got I've got for you And there's only one person I know That is worth all the time in the world It's you It's you It's you that makes me feel it You that makes me feel so alive So alive It's you It's you Born We were born We were born in this world of hope I hope it's you And there's only one person I know That is worth all the time in the world It's you It's you It's you that makes me feel it You that makes me feel so alive So alive It's you It's you It's you that makes me feel it You that makes me feel so alive So alive Don't call off all your feelings And sew off all your clothes To forget me To forget me

All dried up in this weather Been tied up since forever So let me Just let me It's you It's you It's you that makes me feel it You that makes me feel so alive So alive It's you It's you It's you that makes me feel it You that makes me feel so alive So alive It's you It's you It's you It's you
