

## Love Association

I Hate Kate

When I say love  
Tell me what comes to mind  
Is it your love to watch me suffer all the time?

When I say regret  
Tell me what comes to mind  
Is it not scratching out my eyes when you have time?  
The time to lie to me, pleasure me, then suffocate me in my sleep  
Would you tell me all the things you know I wanna hear?  
And lead me to believe

When I say fall  
Tell me what comes to mind  
Is it October first when we first had the time?  
The time to kiss me, miss me, fuck my friends make me naïve  
Would you tell me all the things you know I wanna hear?  
And lead me to believe

I admit we're sick and we breathe the chaotic eye  
I find the beauty in the comma psychotic  
In this universe it goes from bad to worse  
Only if you let it  
Only if you let it  
In this universe it goes from bad to worse  
I won't let it  
I won't let it

When I say complete  
Tell me what comes to mind  
Is it the kind of life that I could never find?  
Would you lie to me, pleasure me, then suffocate me in my sleep  
Would you tell me all the things you know I wanna hear?  
And lead me to believe

I admit we're sick and we breathe the chaotic eye  
I find the beauty in the comma psychotic  
In this universe it goes from bad to worse  
Only if you let it  
Only if you let it  
In this universe it goes from bad to worse  
I won't let it  
I won't let it
