

You're Not Worth Saving

I Killed the Prom Queen

To all my friends I'll die for you,
To all my friends I'll die for you,
To all my friends I'll die for you,
To all my friends I'll die for you,

This is the way I feel, It's in my blood.
Yesterday today and tomorrow.
This is in my heart Ill never change.

Memories will live forever in my heart.
Fuck the fakes who have fallen through the cracks of patheticne
ss.
I'll never forget you.
I'll never change the way I feel.
You will always be a joke to me in my eyes.
To all the fakes I fuckin' hate you.
To all my friends I'll die for you.
To all the fakes I fuckin' hate you.
To all my friends I'll die for you.
This is our lives.
This is who we are.
This is our lives.
This is who we are.
This is our lives.
This is who we are.
This is who we are.
