

## The Less You See

I tried to work up  
The nerve to say  
I didn't think  
It happened this way  
How could I know?

Imagine what matters the most  
Getting by to spite you

I know your boundaries  
You make it so clear  
And the worst is still  
Always near

I know your boundaries  
You make it so clear  
And the worst is still  
Always near

I tried to work up  
The nerve to say  
I didn't think  
It happened this way

I would quit it  
In a second  
I would quit it  
I would quit it
