

## Treehouse

I'm from Barcelona

I have built a treehouse  
I have built a treehouse  
Nobody can see us  
it's a you and me house

I've been climbing rocks and stones  
been collecting broken bones  
I've been swimming across the lakes  
just to find this perfect place  
I got lost into the woods  
I've been covered up in mud  
I've been going through a lot  
just to find this perfect spot
