

## Project Wakeup

I See Stars

Don't make me say this twice  
You know I'm right,  
It's time to, it's time to wake up  
I can't stress this enough  
Oh, you stand there so blind

You stare at me like I don't care,  
I just don't want to fall asleep to another nightmare  
To another nightmare

Whatever helps you sleep, whoa

Well I don't have any intentions  
Of spinning you from this direction  
So live on and don't ask any questions

You say that everything's okay,  
But is everything really okay?  
I don't think everything's okay

You stare at me like I don't care  
I just don't want to fall asleep to another nightmare  
To another nightmare

No, the revolution is now
