I Set My Friends on Fire

Hail to the no hand touch sensor. Bow to the formula that we were

Salient trait flaunt Way to nonchalant

Name dropper tried shrewdness as falsified, Rudimentary psyche real spent Expert on the subject, So I deliberately. Let you win the trivial argument Queue to the booth where you swear your loyalty to the new orde r Somewhere in the line you will find me quietly sneaking past yo ur Preoccupied border

Vehement phosphor scintillates brilliantly, When science doubted our somatic cells, it couldn't be Vehement phosphor scintillates brilliantly, When science doubted our somatic cells, it couldn't be

Hail to the no hand touch sensor Bow to the formula that we were
