

The Beginning

I the Breather

This Table Used to Hold a "Dinner",
This House Used to Home a "Family", Not Anymore.
Those Days Have Come and Gone... Looking Back Now I Don't Remember Much.
I Spent My Whole Life Trying to Prove My Worth (I Had No Place)
,
I was Sheltered from this World, I Lost All Hope, There was No God...
I Can Only "Thank You", You Made Me Who I am Today, I've Faced My Fears,
I've Become a Better Man but My Heart's Still Bitter.
I Can Only "Thank You", You Made Me Who I am.
This Table Used to Hold a Dinner,
This House Used to Home a Family, Not Anymore.
Those Days Have Come and Gone...
