

## The Beginning

I the Breather

This Table Used to Hold a "Dinner",  
This House Used to Home a "Family", Not Anymore.  
Those Days Have Come and Gone... Looking Back Now I Don't Remember Much.  
I Spent My Whole Life Trying to Prove My Worth (I Had No Place)  
,  
I was Sheltered from this World, I Lost All Hope, There was No God...  
I Can Only "Thank You", You Made Me Who I am Today, I've Faced My Fears,  
I've Become a Better Man but My Heart's Still Bitter.  
I Can Only "Thank You", You Made Me Who I am.  
This Table Used to Hold a Dinner,  
This House Used to Home a Family, Not Anymore.  
Those Days Have Come and Gone...
