

My Other Girlfriend Says I Have To Leave You

I Voted For Kodos

Girl Please come over 'cause I have to see you
I'm really sorry but I have to leave you
Don't freak out don't start to cry
Don't yell and scream don't ask my why
I wish more then anyone that things could stay the same
You know the way I feel about you hasn't changed
My explanation might sound a little strange
But it had to be this way because

My other girlfriend says I have to leave you
She told me last night while we were in bed
My other girlfriend says I have to leave you
So now I'll be with her instead

Girl please come over 'cause I wanna talk to you
Girl please roll over 'cause I need to talk to you
I wish I knew the words to say
To make this all just go away
I know it hurts
And Im a jerk
And it's the worst
But you're respected now

My other girlfriend says I have to leave you
She told me last night while we were in bed
My other girlfriend says I have to leave you
So now I'll be with her instead

It not just because your getting fat
Its also because your boring
Now can I have my tee-Shirt back!?
