

Interlude

lamsu!

It's all about the bullshit, it's all about pain
You wanna know the drumma, I ain't count it in the game
I earned my stripes and I paid my dues
A nigga can't walk one day in my shoes
One day in my shoes
Can't tell me nothing about me
Can't tell me nothing about me
No, no, no, no
You can't tell me nothing about me
Can't tell me nothing about me
No, no, no, no
You can't tell me nothing about me
Can't tell me nothing about me
No, no, no, no
You can't tell me nothing about me
Can't tell me nothing about me
No, no, no, no
No, no, no, no
No, no, no, no
No, no, no, no
No, no, no, no
No, no, no, no
No, no, no, no
Can't tell me nothing about me
No, no, no, no
