

Sexy Ladies

lamsu!

This is for all my sexy ladies
Dancin in your room
Barely anything on
Please play this song oh oh

This is for all my sexy slowly putting on yo make-up
Tryna get over yo break up
But let me help you get through it, through it oh

Never waitin in line, other girls hate cause you fine
Even though I can't have you I'm thinkin bout makin you mine
Talkin all night on the phone, stay out all night cause you gro
wn
Think about taking you home, thinkin about makin you mine

This is for all my sexy ladies
Dancin in your room
Barely anything on
Please play this song oh oh

I just wanna know what I can do
To end up next to you
'Cause I love the way you move
And the freaky things you do

The night in my lil bands and the drama that comes with life
I know that you really want somebody to treat you right
Honestly I could be the one to be with you at night
But I know you ain't tryna hear, ain't no time for advice

This is for the ladies, I don't need em man
I'm callin up yo phone like it's me again
And this is breakin news girl, CNN
Hopefully in my dreams I'm a see you here

This is for all my sexy ladies
Dancin in your room
Barely anything on
Please play this song oh oh

This is for all my sexy ladies
This is for all my sexy ladies
This is for all my sexy ladies
