

An I For An I

IAMX

We owe it to the willing souls
To the white lie
The double bluff and fever
An I for an I

We owe it to the TV
To the motherland smile
Apocalypse and rapture signing in
An Eye for an Eye

If you're not with us you're against
An Eye for an Eye

We owe it to disaster
To the black fire
The anger and enclosure of desire
An Eye for an Eye

We owe it to the sex toys
To the icons of our time
Humility an touch is in decline
An Eye for an Eye

If you're not with us you're against.
An Eye for an Eye.

If you're not with us you're against.
Eye for an Eye.

Eye for an Eye.

We owe it to the TV,
To disaster,
To the motherland smile,
To the willing souls,
To the willing souls,
To the willing souls!
