

## My Secret Friend

IAMX

My secret friend  
Oh (I'll) take me (you) to the river  
My secret friend  
So we can swim forever

You have loved  
You were not alone  
You have braved the weather  
When the storm cut you to the bone  
There was always shelter

My secret friend  
I'll take you to the river  
My secret friend  
So we can swim forever

In your skin  
To die a little death  
This time there's no code word  
When everyday frays in hollow ends  
Dream sweet love submissive

My secret friend  
Oh take me to the river  
My secret friend  
So we can swim forever

Break my deepest promise  
Break my deepest promise  
Break my deepest

Break my deepest promise  
Break my deepest promise  
Break my deepest

Break my deepest promise  
Break my deepest promise  
Break my deepest

My secret friend  
Oh (I'll) take me (you) to the river  
My secret friend  
So we can swim forever
