

## Tear Garden

IAMX

I saw bright open common sense  
I do evil things and evil things return  
And I'm praying on, I'm praying for me

You can't hide, I remove from you  
Every tiny strength in everything you do  
And I'll kick you down  
And break you with tender touch

And then the tears cried in the tear garden  
Will be for life  
And then the tears cried in the tear garden  
Will be for life

In the west they have made a plague  
We have built the ship and sailed it to our veins  
God forbid, anything should break that chain

At our road we connected through  
The biology of universal cruelty  
Send me home, return me to a lonely world

And then the tears cried in the tear garden  
Will be for life  
And then the tears cried in the tear garden  
Will be for life
