You stick it in me, then go to her You stick it in me, then go to her You stick it in me, then go to her And then you touched me Life question You stick it in me, then go to her You stick it in me, then go to her You stick it in me, then go to her And then you touched me Life question You touch me My voice breaks I'm crawling in the grass I fake rape I love you You sex clown I try to fill the hole Where you clamp down I have blood, so hurt me You stick it in me, then go to her You stick it in me, then go to her You stick it in me, then go to her And then you touched me Life question You stick it in me, then go to her You stick it in me, then go to her You stick it in me, then go to her And then you touched me Life question You touch me My voice breaks I'm crawling in the grass I fake rape I love you You sex clown I try to fill the hole Where you clamp down I have blood, so hurt me You stick it in me, then go to her You stick it in me, then go to her

You stick it in me, then go to her

And then you touched me Life question

You stick it in me, then go to her
You stick it in me, then go to her
You stick it in me, then go to her
And then you touched me
Life question
Life question
Life question
