Said, "Your joy, your joy is my low"

He takes your face and positions it to take your mouth You bite, you bite to excite yourself
He wants the color of you to wear and feel alive
So you bite and I'm awake and I'm the slave tonight

You lie, you lie to spare my life You needed it, he tasted you inside out

Say it, your joy, your joy is my low So you want yourself to stop So, your joy, your joy is my low And when you crack the whip, I crawl again

You shift the play, push the curve to sit between your thighs It's a sign, it's time to exercise the lines
You want the double cut through to wet, invade and slide
You slide and I'm awake and I'm the slave tonight

You lie, you lie to spare my life You needed it, he tasted you inside out

Say it, your joy, your joy is my low So you want yourself to stop Say it, your joy, your joy is my low And when you crack the whip, I crawl again

Say it, your joy, your joy is my low So you want yourself to stop Say it, your joy, your joy is my low Your joy is my low

You want yourself to stop

So, your joy, your joy is my low So you want yourself to stop Say it, your joy, your joy is my low When you crack the whip, I crawl again

Say it, your joy, your joy is my low So you want yourself to stop Say it, your joy, your joy is my low Your joy is my low
