

Laugh Now

Ian Brown

Laugh now,
Man are from heaven,
Laugh now,
Laugh now

Laugh now,
We're coming together,
Laugh now,
Laugh now

If wishes were horses,
The beggars would rise,
And raise up their voices,
To golden red skies

I'm moving up further,
I'm swimming upstream,
I'm digging my best, I'm holding onto the tree

Laugh now,
I'm waiting forever,
Laugh now,
Laugh now

Laugh now,
Travelling farther,
Laugh now,
Laugh now
