

# Shadow Of A Saint

Ian Brown

Sat in the grass, up on a hill  
The air so still, you came to me to say  
I'll take away your tears, and stay with you for years

Sat in the grass, up on a hill  
The air so still, you came to me to say  
I will wash away your fears, and stay with you for years

I lay beneath the wings of an angel  
I'm standing in the shadow of a saint  
All roads are long and no one can deny them  
Everything will come to those who wait

And in the time it takes a man to fall  
I'll stand up & take it all  
I'll take you all with me, put you on your seat

I lay beneath the wings of an angel  
I'm standing in the shadow of a saint  
All roads are long and no one can deny them  
Everything will come to those who wait

I'll stay beneath the wings of an angel  
I'm standing in the shadow of a saint  
I'll stay beneath the wings of an angel

I'll stay beneath the wings of an angel

I'm standing in the shadow of a saint

I'll stay beneath the wings of an angel

I'll stay beneath the wings of an angel
