

# What Happened to Ya Part 1

Ian Brown

Full of decision, laden with choice  
Cast in a picture that is better than most  
And while you work on your big master plan  
The pawn's around you were not part of the plan

Extended visions, distorted dreams  
All based on image, it's not all that it seems  
You'll walk on water if they told you they lied  
There's just one problem, you just missed the tide

What happened to ya?  
Did you change your mind?  
What happened to ya?  
We were one of a kind

Did you bury your face  
Like an ostrich?  
You can't seem to hold on  
You can't seem to get it on, get it on, get it on

Cast iron illusions, feelings locked in a safe  
I saw you running to your own secret place  
So very trusting of those people around  
A new safe haven is the place that you've found

Extended visions distorted dreams  
All based on image, it's not all that it seems  
You'll walk on water if they told you they lied  
There's just one problem, you've just missed the tide

What happened to ya?  
Did you change your mind?  
What happened to ya?  
We were one of a kind

Did you bury your face  
Like an ostrich?  
You can't seem to hold on  
You can't seem to get it on, get it on, get it on

We were one of a kind  
Did you bury your face  
Like an ostrich?  
You can't seem to hold on  
You can't seem to get it on, get it on, get it on
