

What Happened to Ya Part 2

Ian Brown

What happened to ya
Did you change your mind
What happened to ya
We were one of a kind
Did you bury your face
Like an ostrich
You can't seem to hold on
You can't seem to get it on, get it on, get it on

What happened to ya
Did you change your mind

What happened to ya
Did you change your mind

What happened to ya
We were one of a kind
Did you bury your face
Like an ostrich
You can't seem to hold on
You can't seem to get it on, get it on, get it on

Did you change your mind
What happened to ya
We were one of a kind
Did you bury your face

What happened to ya
