

# Keep On Rising

Ian Carey

Down in the depths of my soul  
Feeling the lost of control  
In its spirit  
So colourful  
If you feel it then let's go  
To a place where you belong  
Give it strength to carry on  
Open your heart  
Set your mind at ease  
Live your life  
And you'll be free

We're gonna rise, rise, rise  
Keep on rising  
Rise, rise, rise  
Uhhmmmm uhhm

Rise, rise, rise  
Keep on rising  
Rise, rise, rise  
Yeah Hey yeah Uhhh

Sometimes you feel like  
You're down and out  
Feeling the pressure  
And you're in doubt  
And your feeling low  
Nowhere to go  
Don't you worry  
I know you're gonna

Rise, rise, rise  
Keep on rising  
Rise, rise, rise  
Yeah Hey yeah Uhhh

We're gonna rise, rise, rise  
Keep on rising

We're gonna rise, rise, rise  
Keep on rising  
Rise, rise, rise

Keep on rising, rising, rising  
Rising, rising, rising, rise ohh ohh yeah
