

# Redlight

Ian Carey

Oh my my  
I feel it on the street

So so fine  
Girl i know you believe

When there`s something that makes you want it  
There`s no way you can just say no  
But you can`t put your finger on it

Oh no  
Oh no

Yeah yeah yeah  
Turn on  
The redlight

Yeah yeah yeah  
It`s alright  
Tonight

We don`t have long  
Don`t let it get away

See something like this  
Won`t come along every day

When there`s something that makes you want it  
There`s no way you can just say no  
But you can`t put your finger on it

Oh no  
Oh no

Yeah yeah yeah  
Turn on  
The redlight

Yeah yeah yeah  
It`s alright  
Tonight

Yeah yeah yeah  
Turn on  
The redlight

Yeah yeah yeah  
It`s alright  
Tonight
