

# Lisa Likes Rock n' Roll

Ian Hunter

There's a wango-tango  
at the peppermint inn  
I'm gonna be there  
Shakin' my thing  
be bop a lula  
little Peggy Sue  
we both got company  
don't know what to do  
but that's alright  
yeah that's OK  
In the middle of the night  
here's Lisa

CHORUS:

Lisa likes rock 'n' roll,  
she plays it every day.  
Down by the drugstore  
everybody ??  
She turnin' on the radio,  
she's shootin' up the stereo,  
puttin' on a video,  
she's sayin' let's go let's go

Lisa won't marry me,  
she says she's only four.  
Her mum don't like me,  
she says I'm too mature.  
Down at the disco,  
I go solo  
and the girls don't wanna know,  
I've been too slow.  
And that's alright,  
and that's OK,  
in the middle of the night.  
Here's Lisa.

CHORUS

And when you see her  
you wish you could ?? her.  
Ain't no one can beat her.  
She goes yeah, yeah, yeah  
yeah, yeah, ''You're my daddy.''

I know Lisa likes rock 'n' roll  
I know Lisa likes rock 'n' roll  
I know Lisa likes rock 'n' roll  
I know Lisa likes rock 'n' roll  
I know Lisa likes rock 'n' roll  
I know Lisa likes rock 'n' roll  
I know Lisa likes rock 'n' roll  
I know Lisa likes rock 'n' roll  
Yeah!
