

Sons 'n' Lovers

Ian Hunter

I was your baby-you were my girl
When I asked you to marry me- the tears fell

Sons N' lovers, sons n' lovers, waving
My childhood goodbye-it seems so sad
Well how long have you been my best friend
This won't be the end of
Sons n' lovers-
sons n' lovers--she won't wanna talk anymore about it

You were my lady- I was your number one
When I said I was leaving- tears run

Sons n' lovers-sons n' lovers, breakin'
Tryin' not to hurt each others hearts
Well how long can we exist- I know
We can't go on like this
Sons n' lovers-son's and lovers--I don't wanna lie anymore

Was that you I saw--walkin' out along the shore
Was that you I saw-talkin' to him
Was that you i saw-puttin' his hands in yours
Thats alright ma- you can still love him
Thats alright ma- you can still love
And through the years-you know- we will remember
Time will never take old times away
How long for you to discover that- there still some strings att
ached to
Sons n' lovers-sons and lovers
But I don't wanna play anymore
Sons n' lovers
