

Walk on Water

Ian Hunter

Little flame tormented soul
Tried to get lost in all that rock and roll
Came crashing through here like some hurricane
Too much, too soon for you little flame
You can't walk on water
You can't walk on water, don't try
Like a lamb to the slaughter
Oh, but for the grace of God, go, I
Little flame caught that savage sound
He liked to turn it upside down
Well, I think I know what you were talking about
I'm just so sorry that your flame went out
Fun with no conscience, tracks with no tears
The rich get richer and the devil's got no fears
Sounds his call, political lies
There ain't no virtue without sacrifice
You can't walk on water
You can't walk on water
You can't walk on water
You can't walk on water
You can't walk on water
You can't walk on water
You can't walk on
You can't walk on
You can't walk on
