

# The Runner

Ian Thomas

Through the night, through the dawn  
Behind you, another runner is born  
Don't look back, you've been there  
Feel the mist as your breath hits the air  
And it's underneath the moonlight  
Passing some  
Still your heart beats in the moonlight  
Like a drum  
And you will run your time  
A shooting star across the sky  
And you will surely cross the line  
To pass on the flame  
Sun come up, sun go down  
Hear the feet, see the sweat on the ground  
Watch your step, keep your cool  
Though you can't see what's in front of you  
And it's underneath the moonlight  
Passing some  
Still your heart beats in the moonlight  
Like a drum  
And you will run your time  
A shooting star across the sky  
And you will surely cross the line  
To pass on the flame  
Cause you're a runner in a race  
Taking someone's place who's run  
You're a runner in a race  
And the only way it's won  
Is to pass on the flame  
And you will run your time  
A shooting star across the sky  
And you will surely cross the line  
To pass on the flame  
(Pass on the flame)  
To pass on the flame  
(Pass on the flame)
