

## Secret Love

Ian Van Dahl

The night has no secrets...  
when we are together.  
Look into my eyes.  
You'll always be mine.

How can I tell you...  
what i feel inside.  
You are my world.  
I can't say goodbye.

Lying beside you  
Time seems to fly  
My heart's beating stronger...  
when you're by my side.

How can I tell you...  
what I feel inside.  
You are my world.  
I can't say goodbye.
