

Secret Love

Ian Van Dahl

The night has no secrets...
when we are together.
Look into my eyes.
You'll always be mine.

How can I tell you...
what i feel inside.
You are my world.
I can't say goodbye.

Lying beside you
Time seems to fly
My heart's beating stronger...
when you're by my side.

How can I tell you...
what I feel inside.
You are my world.
I can't say goodbye.
