People tell me one day I'll learn Someone will give love in ret urn But all I can see, this picture of you

I pick up the phone but you're not home I cannot believe I'm al l alone

I'm here calling your name

I'll be waiting, waiting for you Don't leave me standing, I'm l ost without you I'll be waiting, waiting for you Don't leave me standing, I'm lost without you

I'm lost without you

People say it's time to move on All those things, I've heard th em before They will never know my feelings for you

Good things come to those who wait Still it's so hard to keep m y faith

I'm here calling your name

I'll be waiting, waiting for you Don't leave me standing, I'm l ost without you I'll be waiting, waiting for you Don't leave me standing, I'm lost without you

I'm lost without you
