

## Will I?

Ian Van Dahl

Will I ever love you again?  
Will we be together again?  
Thought the love we had was strong...  
and tell me what's on.  
Where did we go wrong?

Will I   will I   will I  
Will I   will I   will I

Will I ever love you again?  
Will we be together again?  
Thought the love we had was strong  
and tell me what's on.  
Where did we go wrong?

Will I ever love you again?  
Will we be together again?  
Thought the love we had was strong  
and tell me what's on.  
Where did we go wrong?
